Introduction

The Al-Hidayah Islamic Administration was **established for the pleasure of Allah** (SWT) as a **non-profit**, community based institution. It's only purpose is to provide the Muslim community in Perth, Western Australia with additional **Islamic oriented education** alternatives to the State Government and Non-Muslim school systems.

Located in Bentley, Perth, Western Australia, our school provides education to Primary school students from Pre-Primary to Year 6. (i.e. Children from five (5) years of age through to eleven (11) years of age).

Al-Hidayah means **The Guidance**, that is, Guiding and leading on the right way with kindness until one reaches the goal. The name *Al-Hidayah* was chosen for the School to remind all those who contribute towards the attainment of the objectives of the School, to do so after first having sought the guidance of ALLAH *Subhanah wa Taala*, and in the hope that His guidance will be given.

The School motto '**Quest for Knowledge**' was chosen to remind the students that they should not take their education and the acquiring of knowledge for granted, that the seeking of **beneficial knowledge** is our duty as Muslims requiring effort and sacrifice, and that it **does not begin and end at the School gate**.

Mission Statement

To provide education in Religion Studies and Government Curriculum to the highest possible standards in an Islamic environment suitable for any child irrespective of background or origin at a tuition fee rate that is both affordable to any family irrespective of its financial circumstance and viable in relation to these objectives; and in so doing, ensuring that the Islamic nature of the School takes precedence over all other considerations.

Outcome Statement

To lay the best possible foundation for our students by way of good example and comprehensive and balanced Islamically oriented education so that they can move forward successfully into higher education and vocational endeavours and ultimately take their place as an integral part of the diverse multicultural society that is Australia as confident, contributing Muslims who will be very much part of the solution to the ills of society and not part of the problem; while being ever mindful of the hereafter.

Looking Back - 2015

It has been an exciting year for Al-Hidayah Islamic School in 2015. Our students worked diligently throughout the year and parents supported our programs in class and activities to raise funds. The teachers have passionately embraced the requirements of the Australian Curriculum. The dedication of the Administration staff, the teamwork and co-operation

between staff members and our ever supportive parents made 2015 a very productive year. Alhamdulillah.

Mission stays the same

The school mission and outcome statements were reviewed to see if the school was on track relative to its original purpose and see if the criterion under which the school was established was still relevant. The conclusion was yes to both and it was decided to leave them unaltered.

Attendance requirements

Education is compulsory for students from the beginning of the year they turn 5 years 6 months, until the end of the year in which they turn 17. From 2015, this will become until the end of the year in which the student reaches the age of 17 years and six months, or until the student reaches the age of 18, whichever happens first.

For students in their final two years of compulsory education, this requirement may be met by approved alternative arrangements to full time schooling.

The *School Education Act 1999* requires compulsory aged students to attend school, or participate in an educational program of a school, on the days on which the school is open for instruction, unless an alternative written arrangement has been entered into for the student (Sections 23 - 26).

Students must attend school on a regular basis to gain the maximum benefit from schooling and optimise their life opportunities. Research has established that every day counts and that there is no safe level of absence from school.

The school principal is responsible for the accurate recording and monitoring of all students' attendance. The principal will implement appropriate measures to restore the attendance of students where there is cause for concern.

The attendance rate of Al-Hidayah Islamic School is 91.59% in 2015.
